Re: United States v. Barry L. Bonds CR 07-0732 SI

Dear Judge Illston:

Please accept this letter brief in response to the Court's order of February 6, 2009, requesting the parties' positions on two issues.

First, the government has no objection to the implementation of an internal video feed from a stationary camera to an overflow courtroom. We also have no objection to an audio/exhibit feed to the media room. It is our understanding that these transmissions would not be made available for recording or rebroadcast in any way.

Second, the government also has no objection to the Court providing media representatives with copies of exhibits after their admission into evidence at trial.

Sincerely,

JOSEPH P. RUSSONIELLO
United States Attorney
